BACKGROUND
The CSSE was formed in 1993 as a voluntary association. The same selective test is utilised by ten CSSE selective schools and saves children, whose parents express a preference for more than one selective school, having to take multiple tests.

TESTING
Your child will take two separate tests, one in English and one in Mathematics.

Your child will take the tests in the selective school you as parents have nominated as your preferred test centre. In the event of a test centre reaching its maximum capacity for testing an alternative CSSE school test centre will be allocated by the CSSE office. If all schools reach the maximum capacity for main day testing, your child will be allocated the Tuesday test date. We suggest you register as early as possible.

How do I Apply for a Place at a CSSE School?

To apply for a place at a CSSE School for your child you must name the school as one of your preferences on your Local Authority Common Application Form and register your child to sit the 11+ tests by completing the CSSE's Supplementary Information Form. Please make every effort to ensure your child’s personal details are the same on both forms. If you change your address before completing your Local Authority form, please notify the CSSE Office in writing.

Naming your Selective School Preferences on the Common Application Form.

Your Local Authority Common Application Form and Guidance Notes will be available to all parents of Year 6 children in September 2018. All CSSE Schools that you wish to apply for must be named as preferences on this form. This form must be returned to your Home Local Authority.

The Secondary Schools Admission booklet for 2019 Entry is available to download from your Local Authority’s website or by requesting a copy to be posted to you.

Stating a Preference on the Local Authority Common Application Form is the only way of Applying for a Place at a CSSE School.

Application for places must be made on your Local Authority Common Application Form. Completing only the test registration form does not constitute a valid application for a place at a CSSE School. Parents must use the Common Application Form of the Local Authority in which they live, even if the schools that they name as preferences on the form are in a different Authority.

Date for the Return of your Local Authority Application Form.

The 31st October 2018 is the date for the return of Common Application Forms to the Essex Local Authority and to the Southend Local Authority. There can be penalties for late application imposed by Local Authorities, so please ensure that your form is returned on time. If you live in a different Local Authority then you should adhere to that Authority’s deadline for the return of your Common Application Form.

Photographing of Candidates on the 11+ Test Day at CSSE Test Centres

The photographs will be kept until the end of the Autumn term in which the candidates would be in Year 7 and then destroyed. Further details will be sent with your child’s test centre letter.

Information that you need on the 11+ test day.
From early September a letter will be posted to you by 1st class mail confirming where you should take your child for the selection test on Saturday 22nd September 2018 and at what time you should arrive. You should receive this letter by 7th September. In some cases a school may need to have more than one sitting to accommodate the number of candidates. In the event of a test centre reaching its maximum capacity for testing an alternative CSSE school test centre will be allocated by the CSSE office. If all schools reach the maximum capacity for main day testing, your child will be allocated the Tuesday test date. We suggest you register as early as possible. As we are unable to confirm whether morning or afternoon sittings have been allocated, you are asked to keep the whole day free.

We are unable to alter test sittings once they have been allocated. If you have exceptional circumstances that prevent you from attending your confirmed sitting please contact the CSSE immediately.

11+ Test Results.
Test results will be sent by first class post to all candidates on the 15th October 2018. Accompanying the 11+ test results will be a guidance sheet detailing the likely 11+ score/s your child will need to attain to gain a place at the individual CSSE Schools.

A look up facility for test results will be available from the 16th October from 9am for candidates who have registered online. Please allow until Thursday 18th October 2018 for receipt of postal results before contacting the CSSE office.

Place Offers will be sent to you by your Local Authority.
March 1st 2019 is National Offer Day when all Local Authorities are required to inform parents of the outcome of their applications to secondary schools. Any questions that you may have should be addressed to your Local Authority.
How old should my child be when he/she sits the test?

A – The test is normally available to children registered in year 6 from September 2018 and who are aged 11 years but under 12 years on the 31st August 2019. Your child’s date of birth should fall between 1st September 2007 and 31st August 2008. Many children will be 10 when he/she sits the tests but they should be 11 by the time they start secondary school.

Should my child sit the tests even if I don’t intend to name a Selective School on the Local Authority form?

A – No. The purpose of the tests is to gain entry into one of the CSSE schools.

What if my child is less than 11 years old on 31st August 2019 and I want him/her to sit the test?

A – The CSSE does not encourage early entry other than in exceptional circumstances. The decision to allow a pupil to take the 11+ examination early lies with the admissions committees of the school/s for which a parent expresses a preference. Under-age pupils are those who would be less than 11 years old on 31st August 2019 and must be registered in Year 6 at the time of sitting the test. Please contact the CSSE for further details on "under-age" entry arrangements.

What should I do if my child has a medical condition or requires access arrangements for the test?

A – A copy of our Access Arrangements Guideline can be downloaded from our website or requested from the CSSE office. You should complete the relevant section on the registration form. The deadline for receipt of requests for adjustments is 29th June 2018.

What are the tests?

A – Candidates will sit two tests. One in English and one in Mathematics. The English paper will last sixty minutes with ten minutes additional reading time. The Mathematics paper will last sixty minutes. The final scores for the individual papers are mathematically standardised and ‘weighted’, each being worth 50% of the marks. The results of all candidates will be analysed, by date of birth, to determine if a statistical age-adjustment is required. In recent years, no such adjustment has been applied.

Most frequently asked questions about the Selective Tests:

What happens if something else occurs near (or on) the day of the test which prevents my child performing at their best?

A – When you present your child for the test it is expected that you are satisfied that there are no other circumstances that have occurred that will prevent him/her from performing to their best. If anything has occurred that you know may affect their performance you must advise the test centre prior to the test being taken.

When do the tests take place?

A – The tests will take place on Saturday 22nd September 2018. If your religion does not allow your child to take them on a Saturday or your child is ill and you can supply a Doctor’s certificate, arrangements will be made for your child to take the tests on Tuesday 2nd October 2018. If you have other exceptional circumstances please contact the CSSE office to discuss.

Will my child have the opportunity to take practice papers?

A – Your child’s present school may help you with this, but remember that children only need a limited amount of practice to familiarise themselves with the types of questions and timing. The Mathematics and English tests will be based on Key Stage 2 of the National Curriculum. Suitable practice material is available commercially from major booksellers. However, please note that these are tests based at a similar level but are not of the same format as the 11+ papers. Please refer to our website www.csse.org.uk for free familiarisation papers that you can download. Other practice material can be purchased from the CSSE office. Please see page 13 of this guide for a practice pack order form.

Where does my child take the tests?

A – Your child will usually take the tests in the selective school you have nominated for the test. In the event of a test centre reaching its maximum capacity for testing an alternative CSSE school test centre will be allocated by the CSSE office. We suggest you register as early as possible. Important: Once your nominated test centre has been confirmed we will be unable to alter it. Your child will take the tests either in a large hall or classroom. There will be adults in charge of each room overseeing the conduct of the tests who will answer any questions the candidates have before the tests start. It is important to arrive in time for your child to be shown where the toilets are and for him/her to settle into the test room well before the tests begin.
What happens if we have difficulty getting to the test centre?

A – Please ensure you plan your journey to your child’s test centre and allow sufficient time to get there. There will be congestion on the roads, particularly near the test centres and you are advised to listen to the weather and traffic reports on Essex Radio, BBC Essex or BBC Suffolk prior to starting your journey. Cancellation of the tests due to atrocious weather conditions will also be announced on these radio stations. If the bad weather conditions are local to you, telephone the CSSE Office. In all other circumstances you should telephone the school where you are taking the test for advice.

What should my child bring with them to the test centre?

A – Your child need only bring a pen, pencil, ruler and eraser. Your child does not need to wear school uniform. Please note that the use of dictionaries, electronic calculators of any description (including calculator watches) is not permitted. Please do not allow your child to bring them to the examination. Mobile phones should not be brought to test centres by children.

Drinks and snacks are not permitted during the tests unless you have notified us in writing of a specific medical condition. Refreshment break arrangements will be confirmed with your test centre letter.

What happens if my child is ill on the day of the test?

A – If you are at all uncertain about your child’s health on the day of the test please withdraw your child by contacting the test centre direct. Subject to confirmation from your doctor, we will arrange for the test to be taken on an alternative date.

Questions in relation to Preference/Admissions/Appeals

What advice would you give about the order that I put my preferences on the Local Authority Form?

A – Our advice is that you should list your chosen schools in your true order of preference. If your first choice is one of the CSSE Schools then you should put it first on your list. This will not prejudice your application to the other schools in your list of preferences.

Will the Local Authority offer my child one school place only or offers at all my chosen schools for which my child has met the Admissions Criteria?

A – The Local Authority will only offer your child one school place. This will be the highest placed school in your list of preferences for which your child meets the Admissions Criteria. You will not be offered additional places at the other schools lower on your list, even if your child meets their Admissions Criteria. If your child does well enough in the 11+ tests to be offered a place at one of your chosen CSSE Schools and you have placed this school as your first preference then a place will be offered to him/her at that school. If, however, you place another school above the CSSE School and your child meets the Admission Criteria for this other school, then the Local Authority will offer your child a place at the other school.

What happens if my Child does not meet the Admissions Criteria for my First Preference School?

A – If your child does not meet the Admissions Criteria of your first preference school then your second preference moves up the list and is treated as your new “first preference” by the Local Authority. The Local Authority will apply this school’s Admission Criteria and decide whether or not your child meets them and should be offered a place.

Can I name more than one CSSE School on my Local Authority Common Application Form?

A – Yes, you can name as many CSSE Schools as you like, as long as you do not exceed the number of preferences allowed by your Local Authority.

Can I appeal against the decision to refuse my child a place at one of my chosen schools?

A – Information about how to appeal against a refusal of a school place will be sent to you by your Local Authority when you receive your secondary school offer in March 2019.

Where any applicant has not been admitted to a preferred school, any parental appeal will be heard by an independent appeal panel established for that school.

“Westcliff enjoys the distinctive record of having been designated ‘outstandingly successful’ by OFSTED on four occasions. But we have not achieved this by a narrow focus on examination results. Those matter and are excellent but our concern for the broader personal, cultural and moral development of young people is what defines the School. These things are reflected in our daily life.”
